DECEMBER HOURS & CLOSURES

The library will have shortened hours throughout December. We will be open 10 am-6 pm Monday through Saturday. The shortened hours will allow library staff to complete projects and attend trainings.

The library will also be closed December 23 and 25 for the Christmas holiday.

The library will resume its regular hours of 9 am to 9 pm, Monday through Thursday, and 9 am to 6 pm, Friday and Saturday on Tuesday, January 2, 2018.

SCHOOL CHOIR PERFORMANCE

The sounds of the holidays will be ringing throughout the Marshall Public Library Wednesday, December 6.

At 4:30 p.m., Pocatello High School's "Gate City Singers" will be performing carols on the main floor of the library. Under the direction of John Grayson, they will be performing Christmas staples like "Santa Claus is Coming to Town," "Baby It's Cold Outside," and "Silent Night." One of the library's own will also be joining in on the tunes. Becca Hyde, the Marshall Public Library's Early Childhood Librarian will accompany the singers on Piano.

12 DAYS OF MAKING

The 12 days of making are fast approaching!

This is an opportunity for children and teens of all ages to use their hands and be creative. We will have maker activities Monday through Friday from December 11th through December 30th (except for the days on which we're closed), from 3:30-4:30 pm. These will be a variety of activities geared towards allowing children to make things, including paper circuits, fiber arts projects, felt projects, and some even involving the 3D printer. Please feel free to come on down and see what you can make!

FOOD FOR FINES

Food for Fines is still going on! Please feel free to bring in a canned item for \$1 waived off of your overdue fines. Food for Fines will run through December 16th. No extensions will be given.

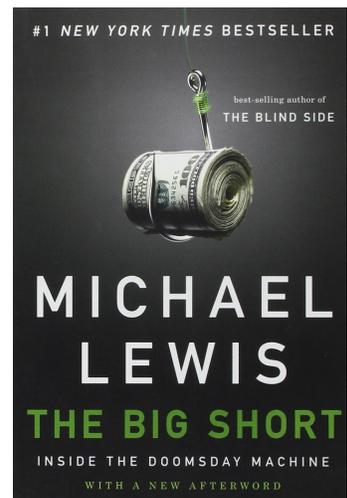

CAMEROONIAN HEIRLOOMS

In December, the library will have a set of family heirlooms from Cameroon and Uganda on display upstairs. These are the family heirlooms of Oscar and Holly Bambo. Oscar is from Cameroon himself and the two of them met while he was in the U.S. on a student visa. They have graciously agreed to loan them to us to display for the month. This collection includes international women's day fabrics, leather bracelets, a ceremonial mask, necklaces, and more. Come take a look!

NONFICTION BOOK GROUP

The next nonfiction book group choice is: "The Big Short: Inside the Doomsday Machine". This book is a portrait of some of the analysts who predicted the housing market collapse of 2007-8, and a blow-by-blow account of how they were able to turn their contrary position in the housing market into a big win. It's also an account of the perfidy and incompetence characterizing the larger market players who brought about the disaster. The story would be funny if the result hadn't been so much suffering and loss. Want to find out about it? Be sure to take your blood-pressure medication first.

The book group will meet in the upstairs meeting room on Wednesday, January 17th, 2018. Copies of the book are available for checkout at the Reference Desk.
