## NEW AT YOUR LIBRARY!

This month, we are excited to announce some new features making our library better!

We now have several phone-charging stations across both floors. These stations are equipped with both lightning cables for Apple devices and with micro-USB cables for Android devices. You are welcome to use them any time you'd like. Just make sure to keep an eye on your phone.

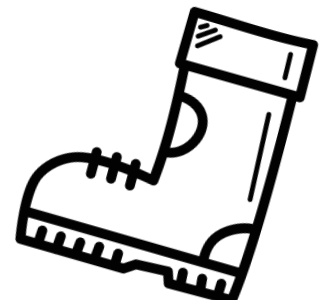

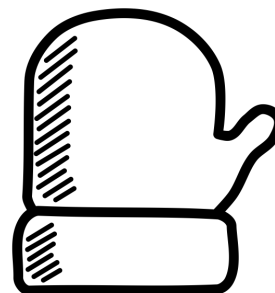

We are also in the process of installing bottle-filling water fountains. The water fountain by the upstairs restroom has been replaced with one that can fill a water bottle. Another one will hopefully be coming soon. We're excited about these new building changes and hope they will make your life easier.

We also have a new collection of books at the library, called Lucky Day books. The Lucky Day collection is located on the Book Bites shelf, near adult fiction. This is a small collection of 5-7 popular fiction titles with long hold lines. They are books that likely have not made it to the shelf yet. Be sure to check when you come in: the book you're waiting for may be here today! These books check out for 14 days. They cannot be put on hold, and they cannot be renewed. You may have one on your card at a time.

## DECEMBER HOURS & CLOSURES

Please remember that our hours are shortened in December! We don't want to miss you. We are open Monday through Saturday this month from 10 am until 6 pm.

We are closed on December 24th and 25th in observance of Christmas Eve and Christmas Day. We will also be closed on January 1st in observance of New Year's Day.
