Fat Kid Rules the World
July 16 at 2 pm
Killers of the Flower Moon
July 18 at 6 pm
Shakespeare's True Love

SUMMER READING CHECK-IN

Summer reading is in full swing! We have more people registered than ever before, and reading challenges are being completed at an astonishing rate. If you haven't finished yours yet, you still have plenty of time. Get reading, and then come in and get your prizes!

The teen summer reading party is coming up, themed around Harry Potter. This will be an after-hours party on July 27th, from 6:30-8:30 pm. There will be a BreakOut activity, a craft, and food.

We will also be doing a Harry Potter activity for the whole family, so come and celebrate Harry Potter's birthday with us! Follow the clues to solve Lord Voldemort's mystery. This family BreakOut activity will be on July 31st. It will run once per hour, and is best played with a team of 5-7 people. Your family team can register at the Help Desk on the first floor. Registration is required.

For our adult programs this month, we will have our Coloring Night on July 11th from 5-7 pm, and our Book Journal program on July 25th from 5-8 pm. Both are drop-in programs, so come and stop by even if you can't stay for the whole thing. We look forward to seeing you!

FOOD BANK COLLECTION

As the long days of sunshine continue and community members start to enjoy the bounty of home gardens, many of us will be left with excess tomatoes, peas, and, of course, zucchini. What can we do when we've grown more than we (and our neighbors and friends) can eat?

The answer is: bring your overflow to the library! From July through early September, the Marshall Public Library is collecting donations of garden-grown fresh fruit and vegetables for the Idaho Food Bank. Fresh fruit and vegetables are a regular need for the Food Bank and are much appreciated.

This is an easy way to share your garden abundance with community members in need. You may drop off items at the circulation desk on the first floor. If you have any questions, please contact Amy Campbell at 208-232-1263 ext. 105 or via email at acampbell@marshallpl.org.

A TO Z WORLD FOOD

World cuisine connoisseurs have a new and free tool to help them sample foods from across the globe. As you may remember, we recently ran a trial of a new food database, AtoZ World Food. We have decided to add this database permanently.

AtoZ World Food features thousands of recipes from 174 countries. Whether you're just starting to expand your palate or you can already whip up a mean matemba, AtoZ World Food can help you. It also features hundreds of articles on food culture and six food glossaries.

The database will be available starting July 1. As with our other databases, you can obtain the user ID and password to access AtoZ World Food from the library staff, either in person or over the phone.

NEW KITS AT OUR LIBRARY!

Are you a reader that likes to have a whole series at your fingertips? Then our new speedy reader kits are just for you! These kits will contain an entire series, built especially for quick readers. They are now available in the children's section, next to the story kits. You can have one on your card at a time.

Would you like to learn new skills? Our exploration kits might be just the thing! Our first exploration kit is a How to Knit or Crochet Kit, complete with supplies, DVDs, and books. We also have our Family History Kits. These are available by the circulation desk. We will be adding more kits, so keep checking back with us for what's new!

Last month, we fixed 1220 items! This includes gluing, taping, and of course, nearly 500 discs buffed.

113 South Garfield Ave Pocatello, ID 83204 **208-232-1263**
